

Patient Pledge

We will deliver our services safely and in line with our quality policy.

We will offer you a suitable appointment at a convenient location.

We will send you specific information so that you can prepare for your appointment.

We will treat you with compassion and respect your dignity throughout your examination. We will provide a chaperone for all ultrasound examinations and will safeguard your care.

We will issue a report to your referrer within 5 working days of your examination. You must contact your referrer to get your results.

We will protect your data in line with our privacy notices and the General Data Protection Regulation.

We will listen to your feedback so that we can learn from our experience and can continuously improve our services.
